DIRECTOR, QUALITY ASSURANCE
Dear Principal

I am reading for my PhD study at the North-West University, Potchefstroom campus. My research focuses on the role the school principal with relation to the career development of female educators in primary schools. The questionnaire forms an essential aspect of this research. Authorisation to undertake this research was given by the Free State department of Education. The project is also approved by the ethics committee of the North-West University (Reference: Ethics number: NWU-00054-07-S3). Your school was randomly selected to participate in this research. I therefore kindly request your assistance in completing the questionnaire. The completion of the questionnaire will take you approximately fifteen minutes.

Before completing the questionnaire, take note of the following:

- The questionnaire is completed on a voluntary basis.
- No harm can come to you as a respondent in completing the questionnaire.
- All information will be treated as confidential.
- The identity of all participants will not be revealed and every respondent (and school) will remain anonymous.
- Completion of this questionnaire indicates that your participation is based on an informed decision, is voluntary and that you were in agreement of participating in this research. By completing the questionnaire permission is given to the researcher to use the data gathered for research purposes.
- Return date: 29 May 2010.

Your co-operation is highly valued and appreciated. Your positive attitude will contribute to benefit our profession enhancing the professionalism of both educators and education managers.

Regards

(A. W. FOURIE)

Dear Female Educator (Post level 1 & 2)

I am reading for my Ph D study at the North-West University, Potchefstroom campus. My research focuses on the role the school principal with relation to the career development of female educators in primary schools. The questionnaire forms an essential aspect of this research. Authorisation to undertake this research was given by the Free State department of Education. The project is also approved by the ethics committee of the North-West University (Reference: Ethics number: NWU-00054-07-S3). Your school was randomly selected to participate in this research. I therefore kindly request your assistance in completing the questionnaire. The completion of the questionnaire will take you approximately fifteen minutes.

Before completing the questionnaire, take note of the following:

- The questionnaire is completed on a voluntary basis.
- No harm can come to you as a respondent in completing the questionnaire.
- All information will be treated as confidential.
- The identity of all participants will not be revealed and every respondent (and school) will remain anonymous.
- Completion of this questionnaire indicates that your participation is based on an informed decision, is voluntary and that you were in agreement of participating in this research. By completing the questionnaire permission is given to the researcher to use the data gathered for research purposes.
- Return date: 29 May 2010.

Your co-operation is highly valued and appreciated. Your positive attitude will contribute to benefit our profession enhancing the professionalism of both educators and education managers.

Regards

RE: INVITATION TO PARTICIPATE IN A FOCUS GROUP DISCUSSION

Dear Colleagues,

I am reading for my Ph D study at the North-West University, Potchefstroom campus. My research focuses on the role the school principal with relation to the career development of female educators in primary schools. Focus group discussions form an essential aspect of this research. Authorisation to undertake this research was given by the Free State department of Education. The project is also approved by the ethics committee of the North-West University (Reference: Ethics number: NWU-00054-07-S3). I kindly request your assistance in partaking in focus group discussions with duration of approximately 50 minutes.

Before partaking in a focus group discussion take note of the following:

- Participation is on a voluntary basis.
- No harm can come to you as a respondent partaking in a focus group discussion.
- All information will be treated as confidential.
- The identity of participants will not be revealed whilst participants (and schools) will remain anonymous.
- Participating in a focus group discussion indicate that participation is based on an informed decision, is voluntary and that you were in agreement of participating in this research. By partaking in a focus group discussion permission is given to the researcher to use the data gathered for research purposes.
- Convenient dates and times to conduct focus group discussions will be communicated whenever teams are established.
